D.B. HABEAS CORPUS PETITION NO.1107/2007
Smt. Kamla Vs. State of Rajasthan & Ors.

Date : 17.5.2007

PRESENT

HON'BLE MR. JUSTICE RAJESH BALIA
HON'BLE MR. JUSTICE BHANWAROO KHAN

Mr. R.S. Bhati for the petitioner.
Mr. Abdul Salim for the complainant
Mr. L.R. Upadhyay, Dy. Government Advocate.

_____

The corpus was before the Court. The medical report of the Medical Board headed by the Psychiatric was placed before us by the learned Dy. Government Advocate as the corpus was examined by the Medical Board in terms of the directions issued by this Court on 4.5.2007. As per the said report, the corpus has no psychiatric symptoms and she is calm & quite, co-operative, attentive, comunicative, having fair hygiene and proper eye to eye contact.

Though according the averments made in the petition, she has been stated to be minor but according to her own statement recorded by the Court on 11th April, 2007 and as per averments made on behalf of the respondents No.6 to 9, she is about 20 years of age. The medical report submitted by the Medical Board to report about the age of the girl also supports that

the girl is major. Appearance too support this conclusion.

When asked about whether she has been under any illegal detention, she has stated that she has gone voluntarily with respondent Hema but now she wants to return to her family.

From the aforesaid, it appears that the corpus is major and not under any illegal detention. She is set free to go wherever she likes according to her wishes.

The petition is accordingly, disposed of.
